

Genesis Parent Portal Opt Out Form

This year Belmar Elementary School will continue to try and reduce the amount of paper used throughout the school year. One of the initiatives includes providing Interim Progress Reports and Marking Period Report Cards through our Genesis Parent Portal. This site is accessible from our website <http://www.belmar.k12.nj.us/Page/270> or by going to www.belmar.k12.nj.us > select Parents & Community > select Genesis Parent Portal. All of the necessary forms are available on the website for your to print and return to school.

If you do not have access to a computer and or Internet connection to view your child's Interim Progress Reports and Marking Period Report Cards you may OPT OUT by completing this form. You will then get a paper copy of the Interim Progress Reports and Marking Period Report Cards.
